

rachel pinn acd/writer

rachcreative

Marketing is more than what I do; it's the way I see the world. I'm concise, conceptual and creative. I love a challenge, a time crunch, a space constraint. I'm obsessed with details, tone and brand building. I'm a writer who often thinks in pictures. Strategy excites me. Presenting killer creative gets me buzzed. I simply can't wait for the next idea.
